The screenshot shows the Gateway Pundit website with the article "Anti-Vax Protesters Lead New York City Halloween Parade, Chanting 'F**k Joe Biden' (VIDEO)". The article is by Jim Hoft, published on November 1, 2022, at 7:45am, with 168 comments. The article text states: "Several anti-vax mandate protesters led off the New York City Halloween Parade on Monday night. The protesters were carrying signs reading, 'Tony 'Big Pharma' Fauci' and 'RIP Covid-19.' Several protesters were chanting, 'F**k Joe Biden' as they walked down the street in uber-liberal New York City." A video player is embedded in the article. To the right, there is a "VIDEO OF THE WEEK" section featuring a video by Benjamin Phillips titled "MUST SEE: Jake Lang's Latest POWERFUL Jan 6 Political Prisoner Video - FINALLY THE TRUTH!!". Below this is a "TRENDING" section with a video titled "Nigerian Leader Issues Warning: Weapons Sent to Ukraine Are Ending Up in Hands of Terrorist Groups in North Africa". At the bottom right, there is a "Join The Gateway Pundit Newsletter" sign-up form. The website's navigation bar includes links for Home, About, TOP Truth, AmericanGulag, How To Help, Store, Login, Get Ad Free, and MORE. The footer shows the date 11/7/2022 and the time 2:59 PM.

This screenshot shows the Gateway Pundit website with a focus on trending content. The "TRENDING" section features an article titled "The Receipts: Brazil Conservatives Present Election Fraud Catalogue and Call for International Investigation - Where is the GOP?". Below this, there are social media posts. One tweet from Pete (@powderfinger205) shows a video of anti-vax protesters chanting "F**k Joe Biden" at the New York City Village Halloween Parade. Another tweet from New York Post (@nypost) shows a photo of the same event. To the right, there is a section titled "Their Own Bad Math Skills" with a "STOP FRAUD" sign and a link to "2022 Midterm Action List - SEVEN STEPS You Can Take to SAVE OUR ELECTIONS From Fraud". The website's navigation bar and footer are also visible.
